DEDICATION

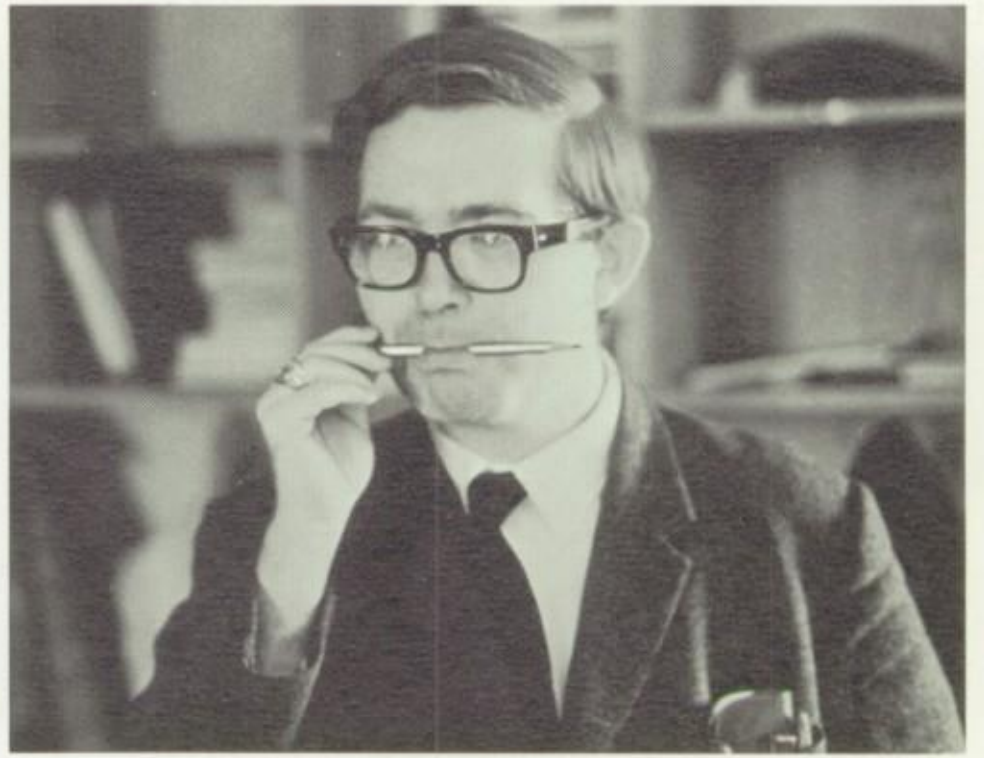

Rivers is quickly becoming one of the better private schools. The cause of this is not merely due to the students and facilities, but, to a great extent, the faculty.

The seniors have seen the Rivers' teachers and their attitudes change from an authoritative aloofness, to an active role in the molding of the students. As the class of 1970, we feel that the teachers of Rivers are excelling in their fields, as well as having warmth and a sensitive concern.

One teacher in particular portrays all of these characteristics of a Rivers master; this is why we dedicate this year's Nonesuch to Mr. Jarzavek, not alone for his excellence in English and French, but for his outstanding ability to treat a senior not as a student, but as a friend. As we leave Rivers, we know we will be able to visit Mr. Jarzavek for his open-minded understanding and, of course, his cuisine and drink. Therefore, our class wishes Mr. Jarzavek the best of luck in his continued success as a teacher and friend.

The Landsman

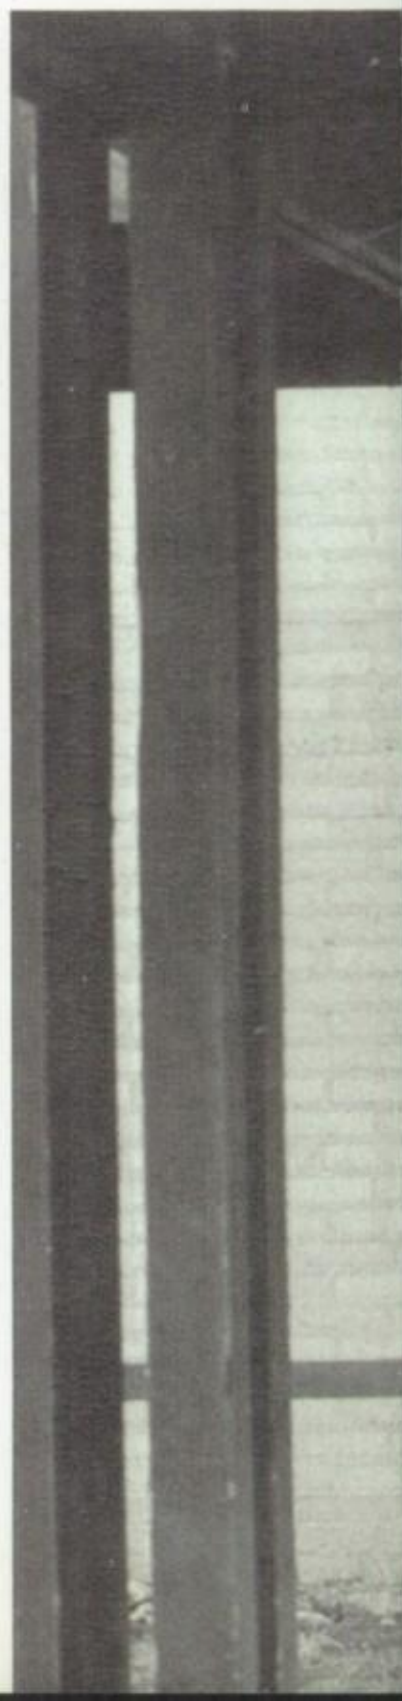

Writing this in February and looking back over the past few months, the Class of 1970 brings two very distinct impressions to mind. First, of course, is the fine academic record it has made at Rivers, particularly this year. The faculty and I are indeed proud. Next, I feel that this has been a year in which the school, the Senior Class as a whole, and individual Seniors have had some difficult problems to confront. It has not been easy for you, or for us, but I believe that you have begun to try to deal with them honestly. This will be good training for the years immediately ahead.

When you meet problems that do not easily suggest a solution, don't become disillusioned and turn aside. More often than not, man has been looking for the easy way; this solves very few problems. The world needs strong men who are tough, sensitive, generous enough, dedicated, visionary, and of good will.

Some of you tend to consider the problems of the world so large and complex and man so limited, that the world is doomed. I do not agree. You need only study the past, or review what has been done in the last quarter century to learn what can be done. Knowledge and wisdom are also growing. I believe the world will not be lost if you will accept the challenge in the faith that as free and rational men the way can be found. You may stumble, as do all who try, but you will also build.

Do not, then, go to college selfishly. Do not seek an education only to make a living or gain material wealth. You will fail to gain "the big view" the understanding, the social guidance, and commitment to life. Demand courses that will make you think about yourself, your fellow man, the accumulated wisdom of the past, and the nature of the world we inhabit. And then I know some of you, yes even most of you, will accept your responsibilities in the arena of life and make a contribution.

Organizations

Last year, in this part of the yearbook, improvements and changes were talked of along with an unsurpassable creative genius. We, the 1970 Nonesuch Board have failed, miserably. However, we hope we have manifested our responsibility to put the school in the best possible fog. All our pictures of events, activities, students and faculty were taken only by students except the senior formals.

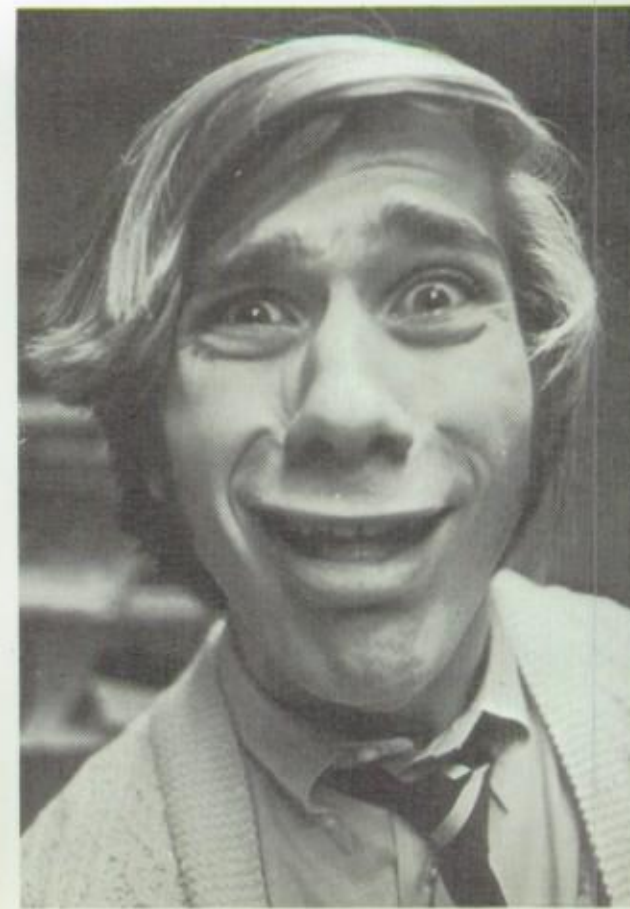

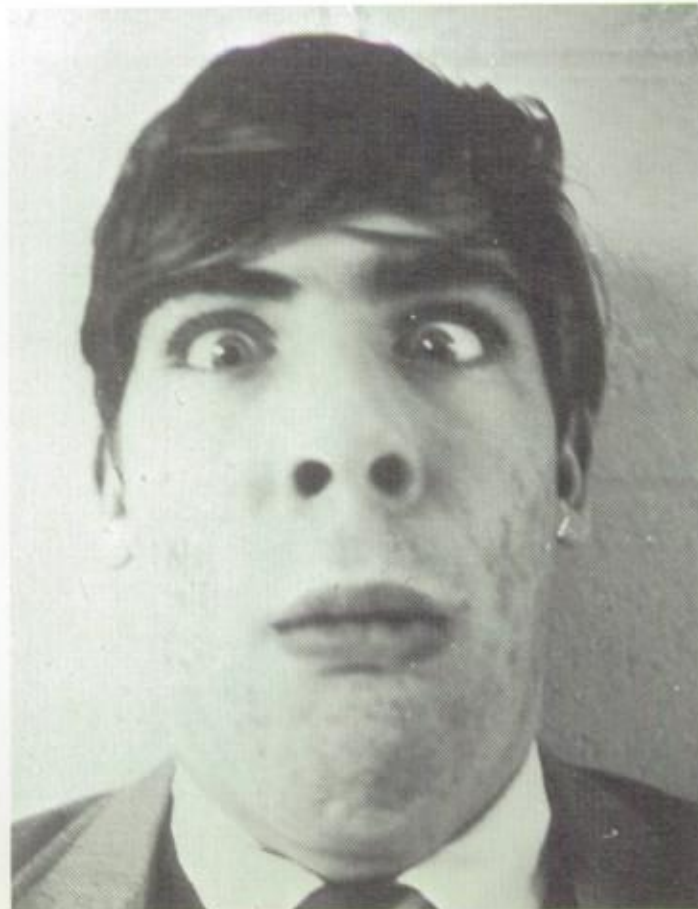

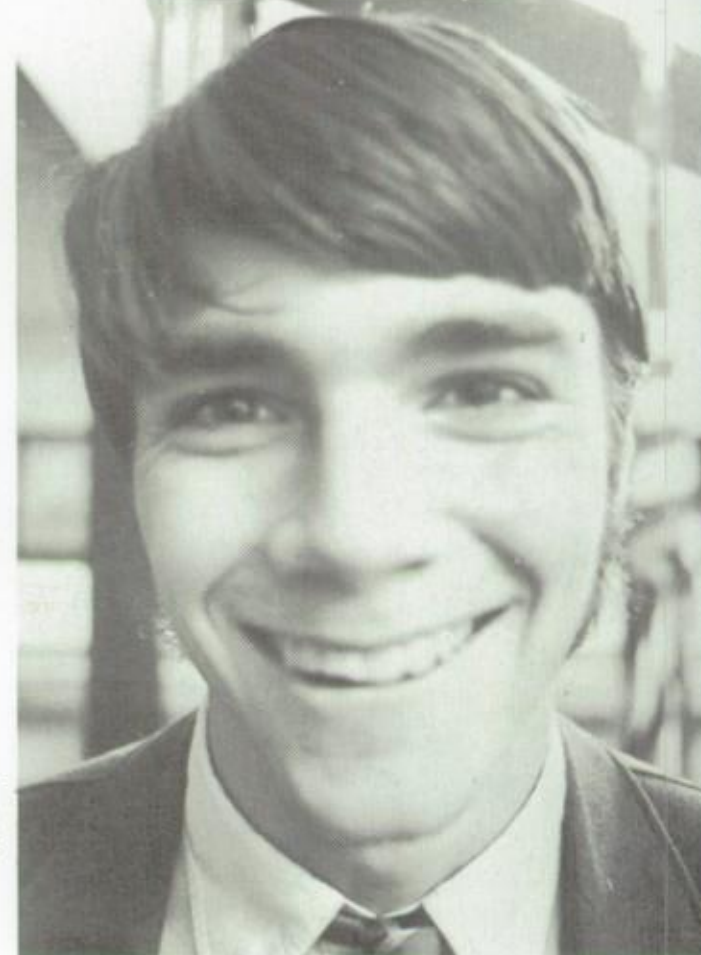

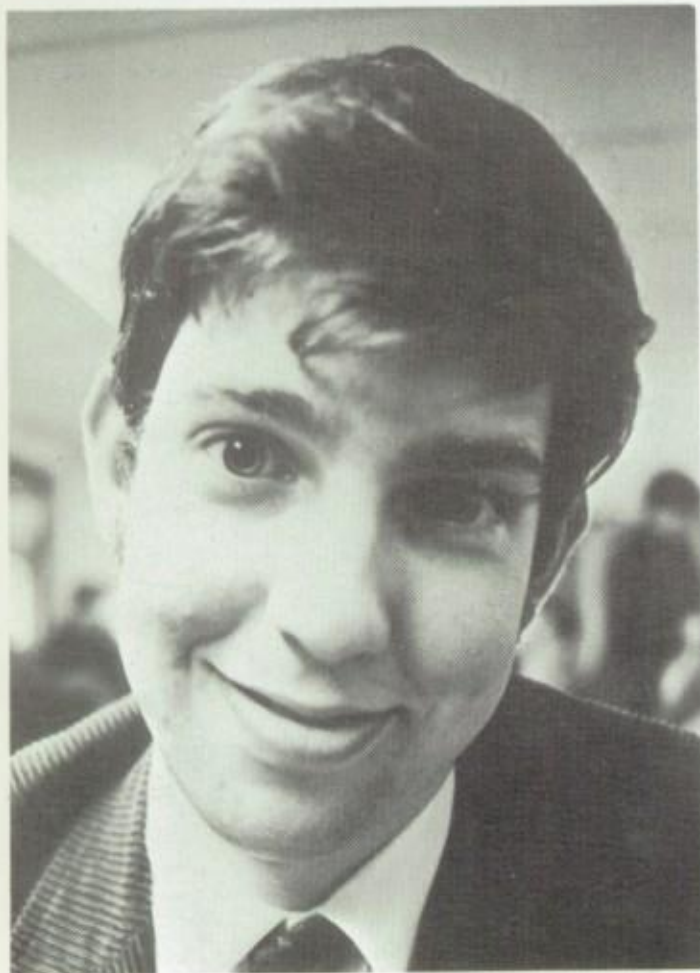

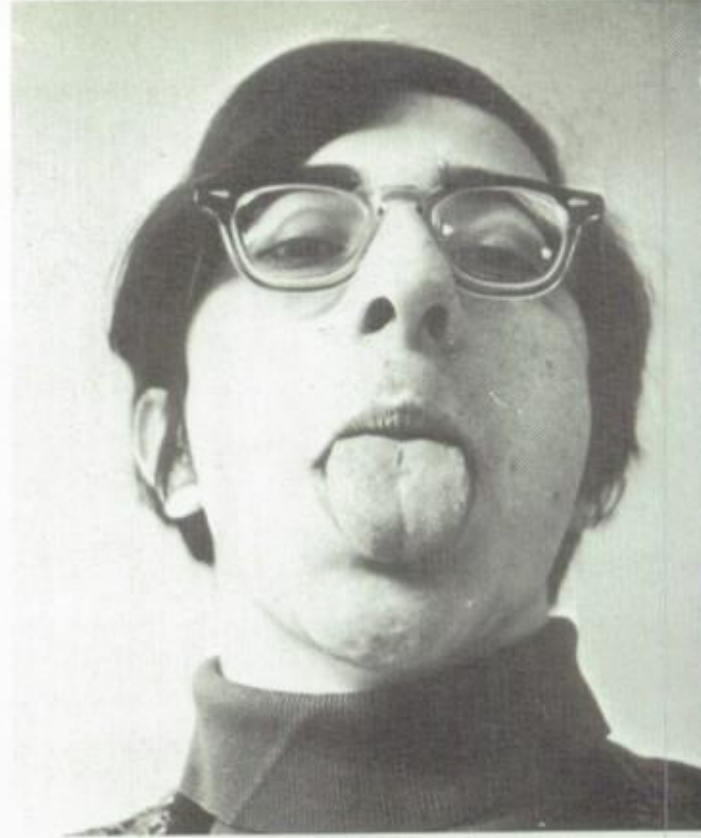

In making the yearbook surpassed we have tried to informalize it. We have tried to lighten the mood of the book by adding little bits of strangeness. We realize the impressions a yearbook can create on the school's image. Our faith is that our readers will accept the yearbook as a hilarious lunacy.

An apology is in order to the persons who made this yearbook such a travesty, James S. Jenkins, strange seniors and many more. Unfortunately the list is too long to print. In short we hope that you, the readers, enjoy yourselves.

This year the *River's Current* has endeavored to continue its tradition as a quality literary magazine. This is not always an easy task, but through increasing student and faculty support it has been realized. While the amount of material has not been consistently mountainous its originality and technique has been ever-improving.

The *Current's* advertising campaign, under the guidance of Business Manager Dave Davis, has surpassed last year's drive. The budget has allowed for many creative innovations and maybe even a trip to Paris for Mr. Jarzavek.

VARSITY FOOTBALL

Rivers Football experienced a very frustrating season. This was partially due to the inability of the defense and the offense to work together.

The team first encountered a very big and tough Moses Brown squad and played well. The final outcome was Moses 28, Rivers 14. A crucial blow was instilled upon the team when co-captain "Cowboy" Crawford received a knee injury which sidelined him for the remainder of the season.

Against their next opponent, Lawrence, the defensive secondary was unable to halt the Lawrence aerial attack. However, the defensive unit, led by Mike Brown, Jim Navoni, Ed Shaw, Nick Soloway and Zellmo Hudson, succeeded in holding the Lawrence running attack to only twenty yards. The game ended with Lawrence on top 30-22. The offense displayed its capabilities of being very explosive.

The highlights of the Brooks game, a fine team effort giving Rivers a 26-25 victory, were the three touchdowns by Mark Klett and the game winning reception by Jim Navoni. The defense was able to hold back a last minute Brooks drive, thus securing the victory.

The Roxbury Latin rivalry game was touched up with a bit of humor when Jim Navoni, after being hit very hard, mistook the Roxbury Coach for Mr. Graham. Unfortunately this was not able to secure a win for the Redmen and Roxbury won 20-6.

The game against St. Sebastian proved the superiority of the regular defensive unit as they allowed only one touchdown from scrimmage. However, St. Sebastian was able to protect an early lead and defeat Rivers 28-0. They had 80 offensive plays to Rivers 25.

Although the record was disappointing, it truly does not reflect the fine spirit and capability of our team. There were some great individual performances exhibited throughout the season. Co-captains Jim Navoni and "Cowboy" Crawford and newcomer Mark Klett were given honorable mentions on the Herald Traveler All-Prep team. Zellmo Hudson played so well that he was awarded the Most Valuable Player award for the team. Steve Yancey led the team in total points with 28 and Ed Perry played excellently despite his knees. Mike Brown and Frank Davis both played fine ball for the Redmen. The coaching staff also deserves a great deal of credit for their excellent guidance and help, especially head coach Gary Graham and assistant coaches Arnold Soloway, Russell Halloran and Mark Licht.

Under the auspices of coaches Erik Suby and Hans Stuiik the '69 soccer team reaped its most productive season thus far in soccer history at Rivers, compiling an admirable 6-3-3 record.

The team was led morally and physically by co-captains, Robert Brink and Gardner Rowbotham. Brink, the best soccer player to grace Rivers, set career records for most goals with 28 and most total points with 38. Rowbotham, the best play-setter on any Rivers team, also set a career record for assists with 17 while totaling 30 points.

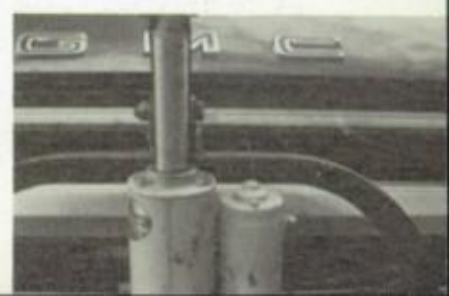

Aside from these two standouts, the strength of the team lay in its stubborn defensive unit led by the junior goaltender Mike Krueger, who registered among his victories 4 shutouts. The heart of this stalwart defense was the "fearsome four-some," Dave Jones, Skipper Manin, Eric Shaw and Walker Zeiser who received the Costello Award for the most improved player on the soccer team. This remarkable defense yielded but a mere 1.33 goals per game. The vital link between the staunch defense and the potent offensive attackers was "fleet-feet" Jack Williams whose golden foot registered more than once.

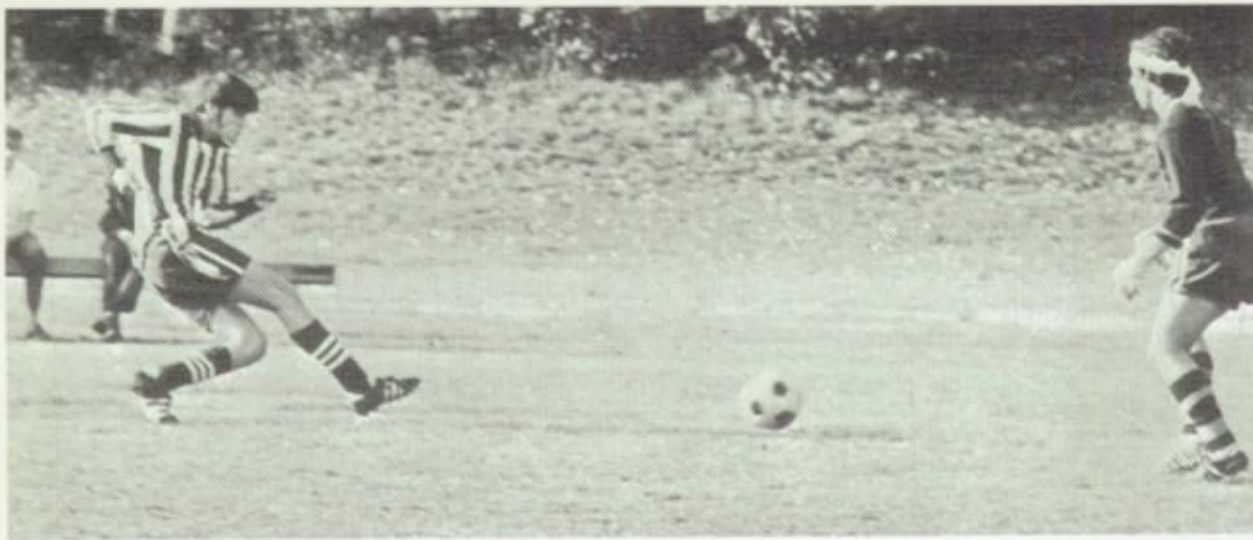

Others who participated and were instrumental in the team's fine season were seniors John Dunn, Rich Cohen and "Nanuck" Coon; juniors Louis Shuman, Doug Dame, John Ewing, and Ross Palioca, and sophomores Jimmy "Jockley" Crowley and Mark Schuster. Also helpful were our managers Mark Feinberg and George Sutcliffe.

This year, Rivers' basketball team did the unexpected. With only 3 returning lettermen, the team finished tied for first in the Private School League with an 8-3 record and 12-4 overall.

Coach Graham accounts for this success through the discipline and spirit which his co-captains, Jim Navoni and Chris Todd inspired.

The high scorer on the team was a newcomer, Mark "Shoes" Klett, who averaged 17.2 points per game. Aside from Mark, Jim Navoni was second in team scoring, and he led the entire league in rebounding. Junior Tom Smith, third in scoring, played a good brand of defense, and stole the ball many times. Rounding out the rest of the team are seniors Chris Todd, whose opponents found him a very tough adversary, Ed Shaw, juniors Paul Lantz and John Graham, and finally, freshman Bruce Taylor, whose name will be heard frequently in the future.

Though the team loses 3 regulars, Rivers can anticipate great success for basketball in years to come.

THE VARSITY WRESTLING

With many loyal spectators and fans, the varsity team outdid itself this year. Finishing 8 points out of second place in the New England Independent School Class C Tournament and outscoring its opposition almost 2 to 1, 409 points for Rivers, 215 points for their opponents, wrestling had the best varsity record ever of any sport this year at Rivers, 11-1-1.

Outstanding senior wrestlers this year were Mark Manin, co-captain, winning a gold medal in the tournament, with an 11-1, 42 point season. Dave Jones, co-captain, taking a second in the tournament with an 11-2, 45 point, 9 pin season, Peter Lindblad, winning a second in the tournament, with a 9-4 season, and Nick Soloway, winning a third in the tournament, with a 10-1, 47 point season with 10 pins, high scorer and pinner for the team. Other outstanding wrestlers were junior Charlie "Fat Head" Solomon, taking a gold medal in the tournament and Alfred Washington, with a third in the tournament. Other good wrestlers were Jerry Rosenberg, with a 10-3 season and Doug Dame with a 9-3 season.

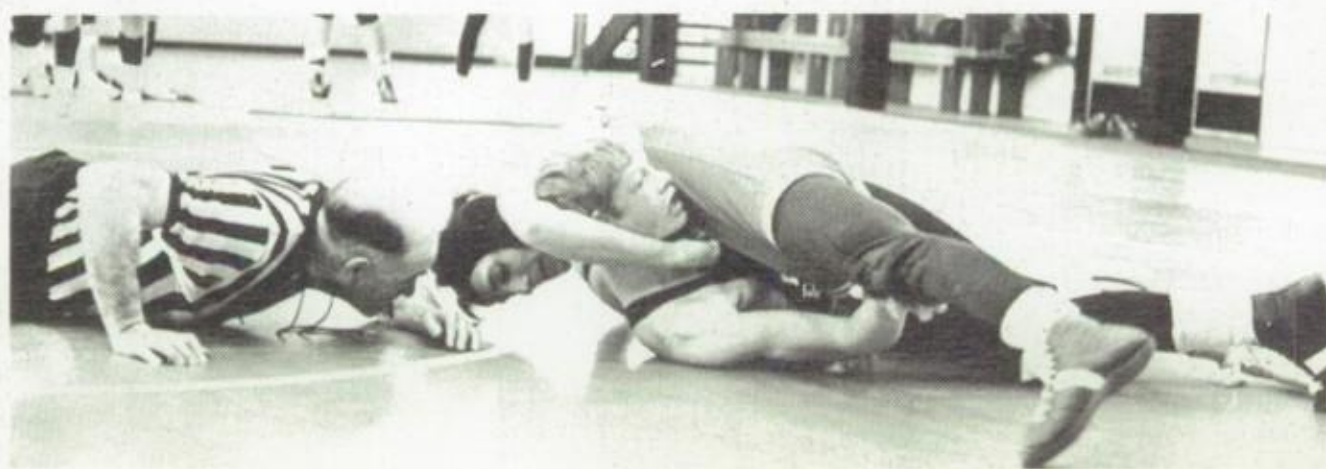

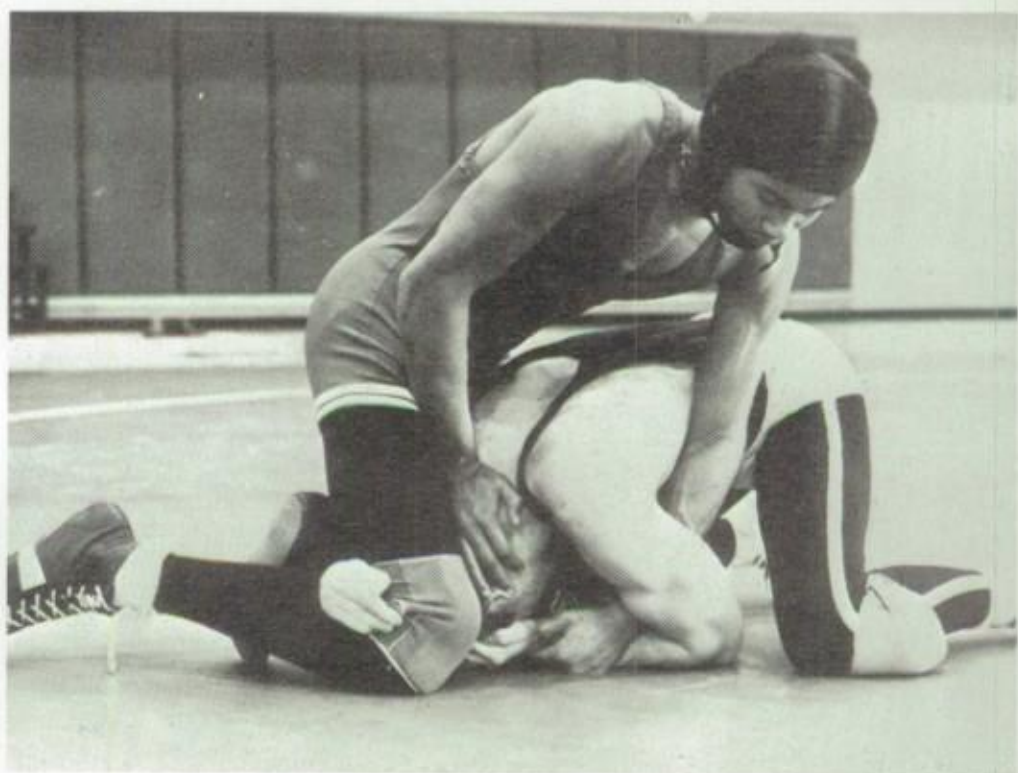

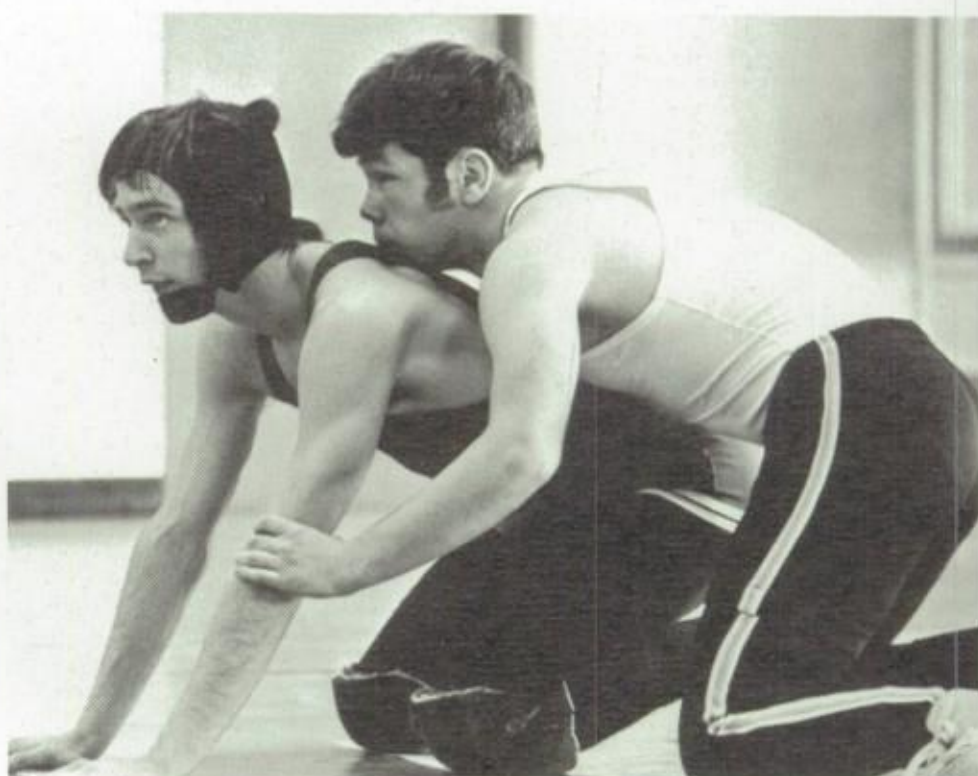

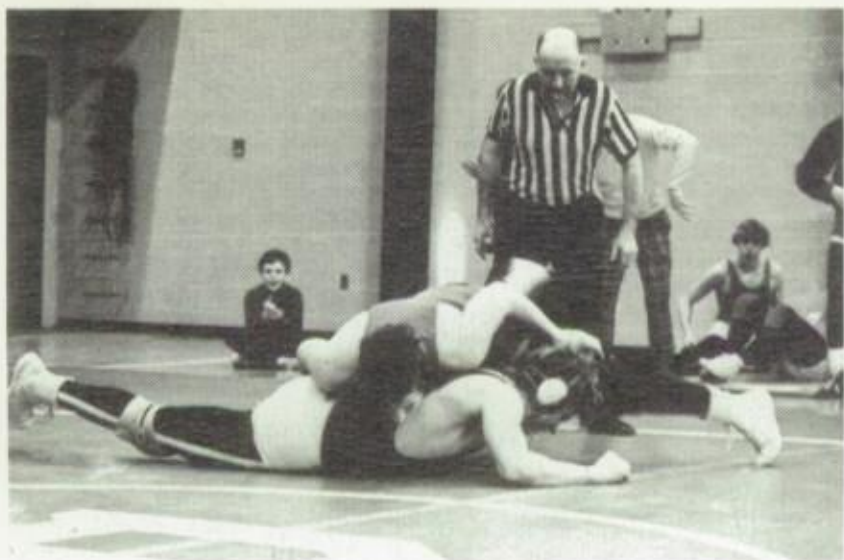

The team would not have come close to winning without the wrestling support given by Bruce MacPherson, Roger Epstein, Ben Jones, who took a fourth in the tournament, Bob Leist, Harry Holzwasser, and little Harry who also took a fourth in the tournament.

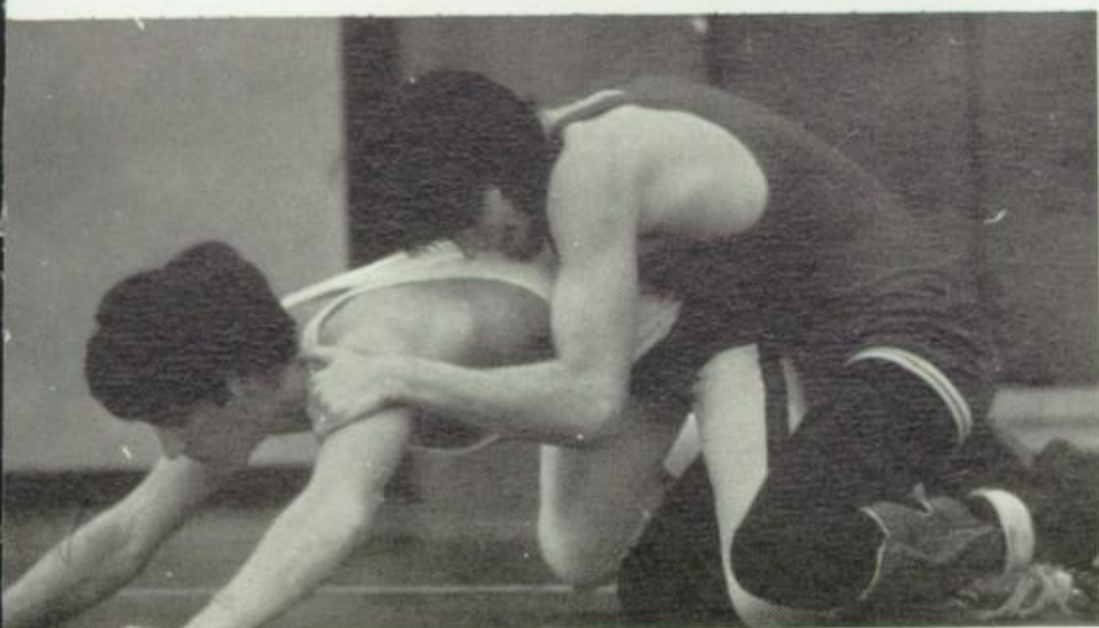

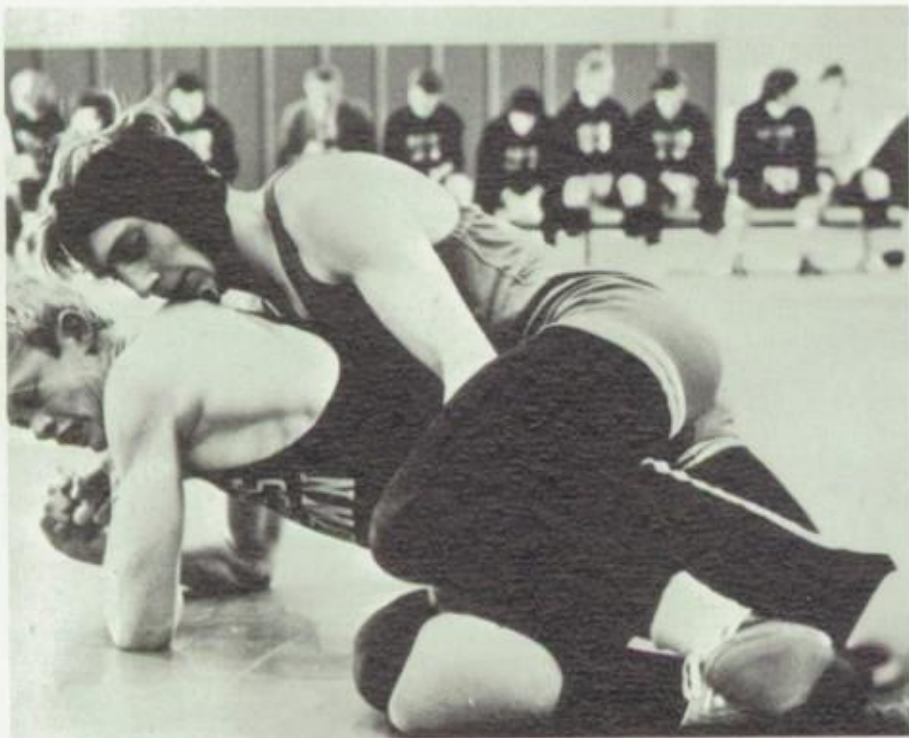

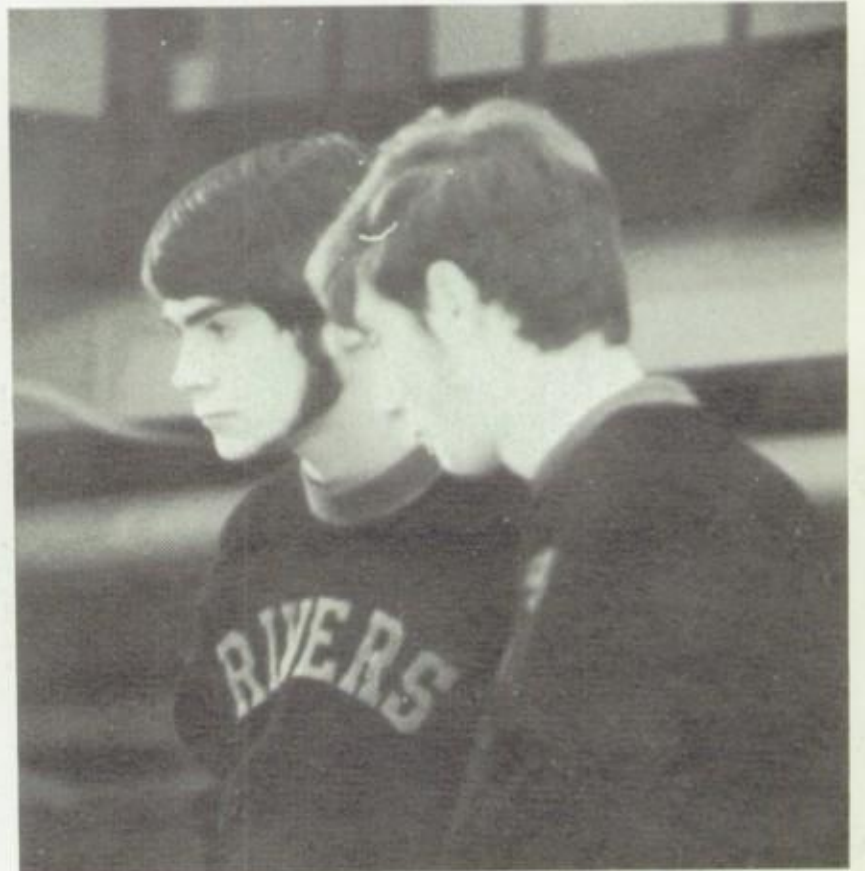

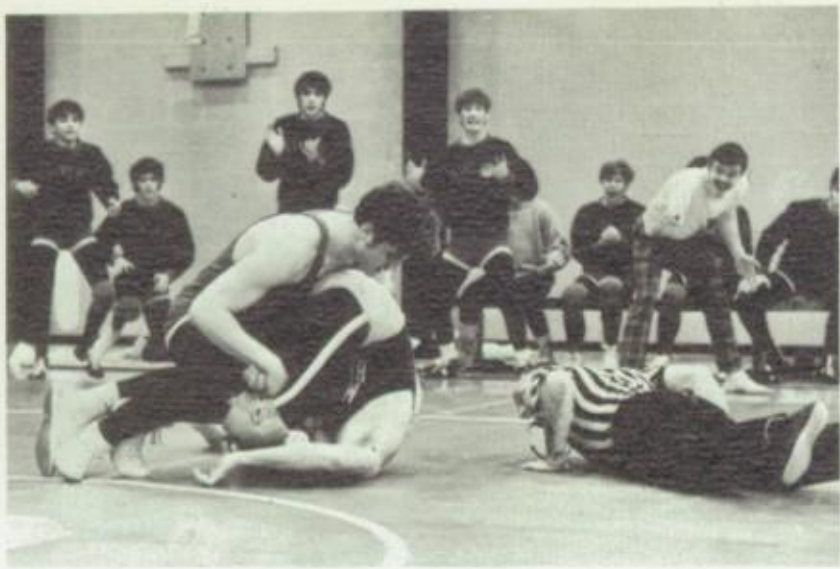

Next year's wrestling team has a lot to look forward to with only 5 seniors leaving and so many experienced members returning. Maybe in two years, Rivers will even win the tournament.

VARSITY LACROSSE

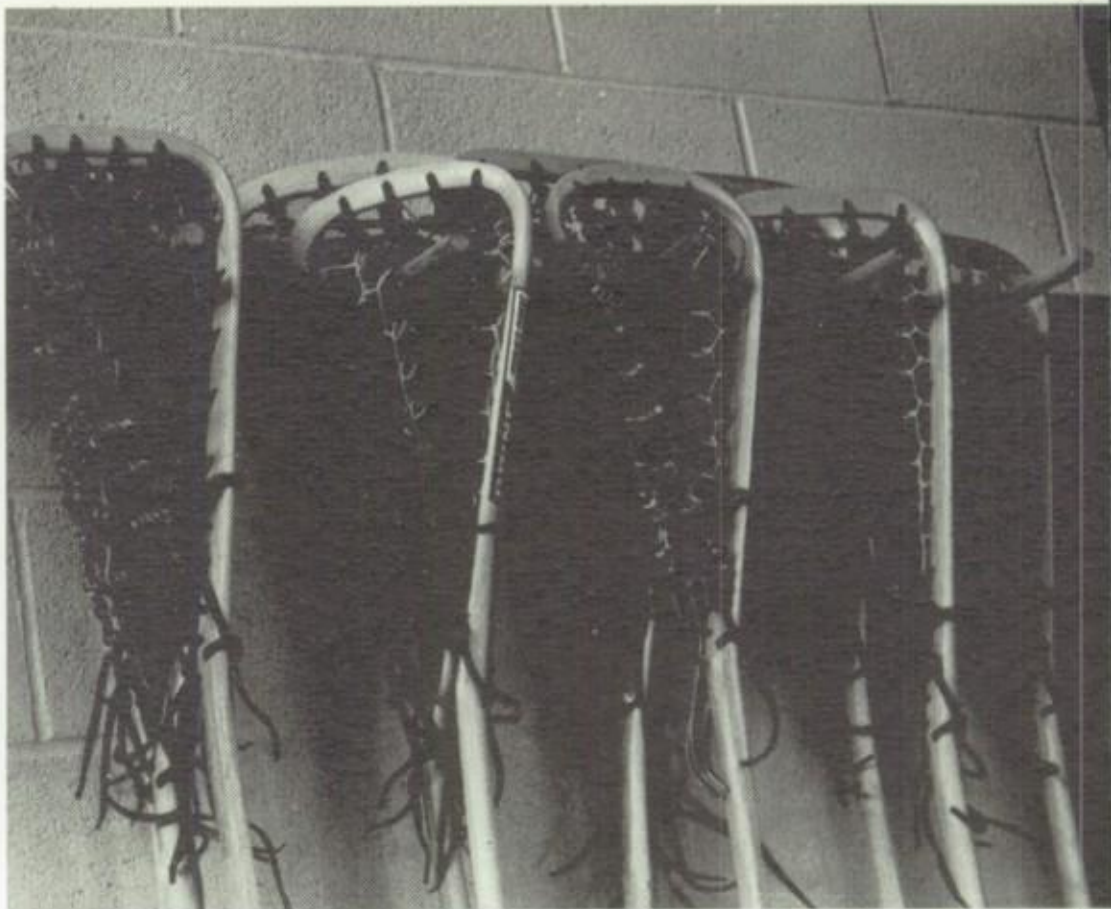

The 1970 lacrosse team is looking forward to another outstanding season. Last year's record of 8-4 will be difficult to match, but a good team is forming up to challenge that record. Coming out of his second year, goalie Steve Yancey will be filling a large gap. The defense will be even better than last year's, the best in the league, with Ed Perry, co-captain Jim Crawford, George Sutcliffe and Bruce MacPherson.

Midfield will be suffering from a number of gaps produced by the departure of last year's seniors. The midfielders remaining with plenty of varsity experience are seniors Ben Hudson, Alan Dana, George Sutcliffe, Jim Navoni, Bruce MacPherson, and Sophomore Nick Petri. Attack will be made up of Brooks Smith, Bob Sacks and Mark Kelly.

Even though the lacrosse team lost many key personnel, this year's team has experienced members playing in every position. Mr. Thomsen feels that with an extra week of practice in March, the team could start off with an excellent season with a win over Winchendon.

A season with a record as good as or better than last year's can be anticipated if the team unites its efforts. If the defense keeps the ball up in the midfield, and the attack and midfield move the ball with control, the team should have a good chance to continue its success.

"Brighter Days Ahead For Rivers School Nine", as quoted in the News Tribune last June in 1969, certainly looks good. With coach Halloran at the helm and "a few breaks", this year's team should have a good year. Captain Jack Williams, batting .242 last year, will lead his team in spirit and from the mound. Bob Leist, .222, also a pitcher, will be at the plate along with Paul Lantz and Tom Smith with .200 batting averages. The team is young but should prove to be tough when the going gets rough.

VARSITY TENNIS

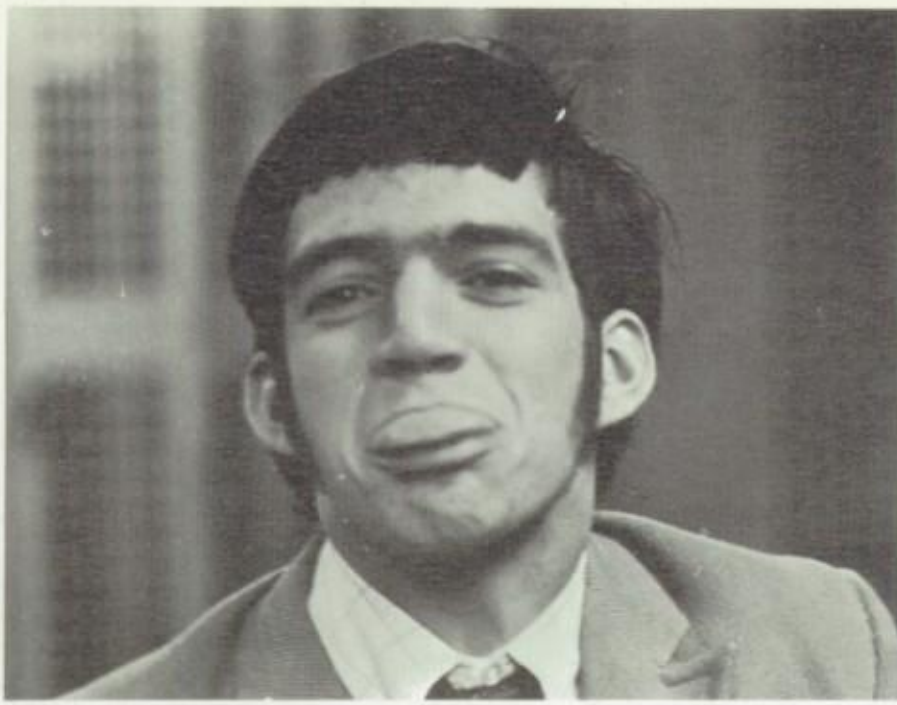

First Row: Coach Schuster; Davis, F.; Rowbotham, captain: Cohen, R.; Underhill. *Second Row:* Grossman; Kurson; Fager. *Not shown:* Coon; LeVine; Stanwich.

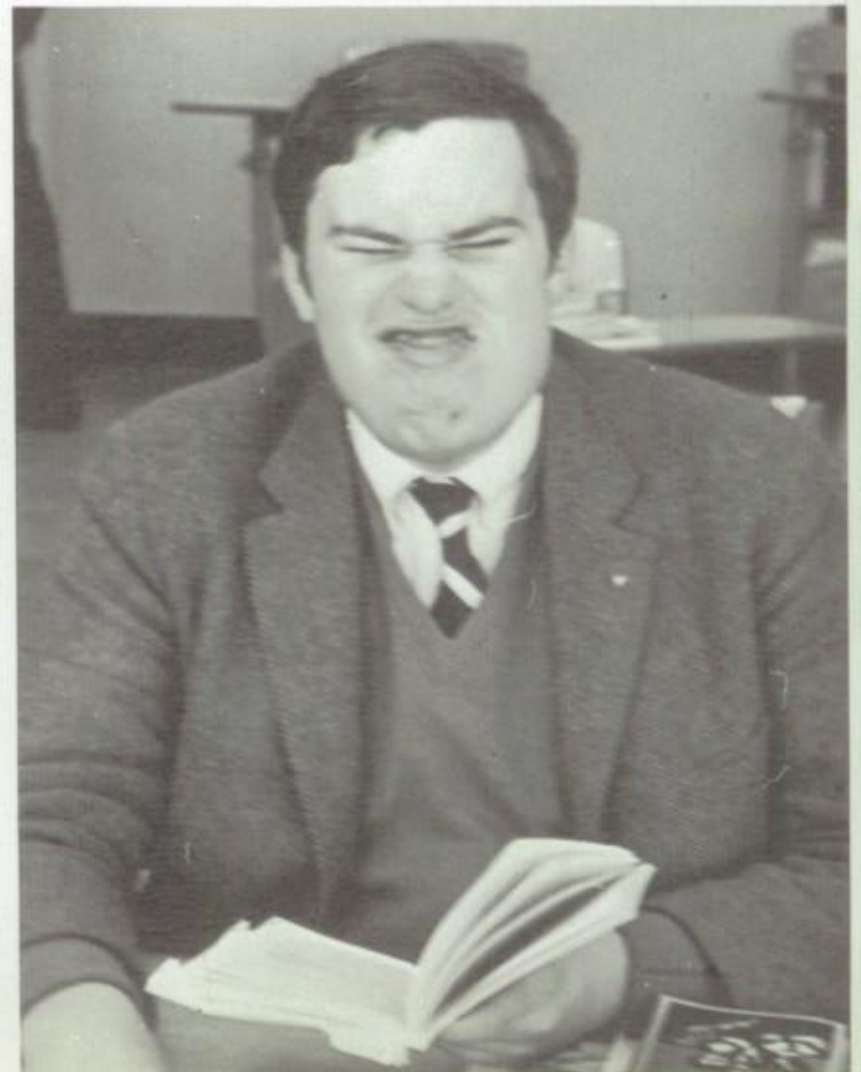

Rivers has seen its finest teams in recent years. And, after completing a 7-2-1 season last year, this year's team should be no exception. Under rookie coach Derek "Gump" Schuster, the team should fare extremely well. The first two positions will be held by veterans Gardie Rowbotham, undefeated last year, and George Coon. The last four positions will be fought for by Tom LeVine, Frank Davis, Neil Grossman, Peter Fager, Chris Stanwich, Rich Cohen, and a newcomer, Hugh Underhill.

Again the team will find arch rivals Noble and Greenough, Browne and Nichols and Belmont High tough and challenging matches. Although Rivers has lost many good players, the predominant feeling remains that the winning tradition shall prevail for this and many years to come.

With heartfelt sighs we say good-bye.

This year's travesty owes great recognition to the people who have worked willingly to complete it. Greatest recognition is due Ben Hudson. Commendations are also in order for George Coon and Ed Lewis who were always willing to work. Dave Jones, George Sutcliffe, Gardie Rowbotham, Walker Zeiser, Biff Gustin and Lee Landsman deserve much credit. In fact, I give my thanks to the whole school for helping to produce and for accepting this book.
